

Ambitious B.Tech Student specializing in core programming languages, including Python, Java, and C++, with foundational knowledge in AIML and Database Management. Highly motivated to secure a challenging part-time, work-from-home role. Currently pursuing a Data Analyst certification to build advanced analytical capabilities. Possesses excellent self-management skills and is fully fluent in both English and Hindi for diverse team communication.

SKILLS

TECHNICAL AND PROGRAMMING SKILLS

- **Programming Languages:** Proficient in C++, Java, and Python.
- **Specialized Areas:** Foundation in Artificial Intelligence and Machine Learning (AIML) concepts and Database Management
- **Data Analysis (In Progress):** Currently pursuing a course in Data Analysis, demonstrating commitment to acquiring advanced analytical skills.
- **B.Tech Student:** Active B.Tech student, providing a strong academic foundation and aptitude for complex problem-solving.

PROFESSIONAL SKILLS

- **Data Entry / Typing:** Proven ability to handle typing work efficiently and accurately for data management tasks.
- **Communication & Collaboration:** Fluent in both English and Hindi, excellent for diverse team communication and customer/client interaction (especially valuable in remote settings).
- **Adaptability & Learning:** Quick learner, demonstrated by the pursuit of both a B.Tech degree and a Data Analyst course, showing a proactive approach to skill development.
- **Self-Management & Initiative:** Highly motivated and capable of working independently in a remote capacity, managing time effectively between studies and professional responsibilities.

EDUCATIONAL HISTORY

BACHELOR OF TECHNOLOGY(B.TECH)

- **BRANCH-**Computer Science Engineering
- **COLLEGE-** Vellore Institute Of Technology , Bhopal (Madhya Pradesh)
- **Status:** Pursuing (Expected Graduation: [2028])

CERTIFICATIONS

CERTIFIED IN

- PYTHON ESSENTIALS
- PROGRAMMING IN JAVA
- FUNDAMENTALS OF AI AND ML

PROJECT

HANDWRITTEN ANSWER EVALUATION SYSTEM USING AI
